

HUMAN RESOURCES COORDINATOR

WHO WE ARE

*The Root Cellar Village Green Grocer
is your fresh & innovative destination market
for extraordinary food experiences.*

We are a market amongst many, but our business model stands alone by providing an experiential shopping atmosphere driven by a passion for sustainability, and a locally focused purchasing philosophy.

We are a family business, founded in 2008 with a firm stance behind our motto 'farm fresh, dirt cheap, delicious' and a drive to brighten every customer's day has resulted in our little market becoming a bustling community hub, now providing Vancouver Island's largest selection of organic, local and conventional produce, a full service butcher and deli, a boutique florist and garden centre, artisanal grocery, dairy & breads, a bulk foods section and most recently a new coffee bar, bringing us to over 10,000 square feet, buzzing with over 120 employees.

At The Root Cellar, we believe that time spent gathered around the table is what connects us as people, families & communities. Good food is essential not only for survival but for our human need for togetherness. We want our customer's experience of food to be extraordinary, beginning with their visit to The Root Cellar. To create this experience we seek passionate individuals, driven by a shared love of food, experience, and impact.
